

# Role Spec – Administrator

## Volunteer Role Description: Administrator

**Overview:** As a skilled Administrator, you will assist in maintaining our digital platforms. This role is essential for ensuring the smooth operation of our gaming servers and bots used within our gaming channels.

### Key Responsibilities:

- Assist in server maintenance and troubleshooting.
- Manage discord bots and other technical tools.
- Provide technical support to community members.
- Collaborate on technical projects and enhancements.

### Skills and Experience:

- Technical proficiency in Nitrado server management and Discord.
- Good problem-solving and analytical skills.
- Ability to respond promptly to technical issues.
- Prior experience in a similar role is desired.

### Benefits:

- Gain transferrable skills in technical administration.
- Be part of a dynamic and passionate community, playing a significant role in shaping the dynamic.
- Gain quantifiable experience that can be evidenced into your CV/Resume.

### Commitment:

- Flexible schedule with a preference for regular weekly availability.
- Long-term commitment appreciated to maintain consistency within the community.

**Application Process:** Interested individuals can apply by sending a brief introduction, their experience, and why they are interested in the role. This can be submitted to Andy Malarky by direct message or by email to [andy@dzxrp.com](mailto:andy@dzxrp.com). Shortlisted candidates may be invited for a casual interview with the senior staff.
