Role Spec – Moderator

Volunteer Role Description: Moderator

Overview: In the role of Moderator, you'll ensure a respectful and engaging environment for all community members by monitoring discussions, enforcing guidelines, and resolving conflicts.

Key Responsibilities:

- Monitor community channels (Discord, forums, etc.) for adherence to guidelines.
- Engage with community members, facilitating discussions and community spirit.
- Resolve conflicts and manage member issues diplomatically.
- Collaborate with the team to develop strategies for community engagement and moderation.

Skills and Experience:

- Strong communication and interpersonal skills.
- Ability to make impartial judgments.
- Familiarity with online community dynamics.
- Experience in moderation or a similar role is advantageous but not mandatory.

Benefits:

- Gain transferrable skills in community management and conflict resolution.
- Be part of a dynamic and passionate community.
- Gain quantifiable experience that can be evidenced into your CV/Resume.

Commitment:

- Flexible schedule with a preference for regular weekly availability.
- Long-term commitment appreciated to maintain consistency within the community.

Application Process: Interested individuals can apply by sending a brief introduction, their experience, and why they are interested in the role. This can be submitted to Andy Malarky by direct message or by email to andy@dzxrp.com. Shortlisted candidates may be invited for a casual interview with the senior staff.
